EXCLUSIVE INVITATION

A MESSAGE FROM THE PRESIDENT

JAMES L. DAVIS

LDIServe's Mastermind has a proven track record of helping pastors grow and strengthen their churches year after year. Mastermind provides personal coaching from world class leaders to pastors of churches needing a fresh outlook and kickstart to a new level. Growth in churches today is rare. So many churches are struggling coming out of the

pandemic. We are called to be encouragers and help build great strong churches. The church is the hope of the world and its future lies in the hands of its leaders.

LDIServe's 2024 Mastermind is well underway. Some of the country's most notable Christian leaders and thinkers gather for two in-person sessions at PGA National in Palm Beach Gardens and monthly Zoom sessions.

THE 2024 MASTERMIND PROGRAM INCLUDES:

- Four hotel nights at PGA National Resort & Spa
- Monday/Tuesday Lunches
- Four 90-minute Zoom calls
- All course resources (books, workbooks, etc.)
- 2 rounds of golf at PGA National Championship course, cart fees, and tips or Intracoastal boat cruise around Jupiter Island
- Farewell Special Luncheon Event (October)
- Special Evening Dinner (Monday)
- Certification Presentation with Cohort Photo

DATES

In-person two-day session in April and a final in-person two-day session in October

- Spring Session: April 8-9, 2024 (arrive on Sunday, April 7, fly out Tuesday afternoon)
- Fall Session: October 13-14, 2024 (arrive on Sunday, October 13, fly out Tuesday afternoon)

Mastermind was game-changing for me. Both my life and the life of our church were, and will continue to be, greatly impacted by the year. I am convinced the the cohort model is much more impactful than going to conferences. The coaches were all amazing! The quality of guest speakers and the environment of the venue were perfect for unpacking together the challenges we all face. I am so grateful for Dr. Davis, his team, and the men at that table.

INVEST IN YOUR LEADERSHIP

In order to grow a church, there are obvious sacrifices and extreme efforts involved. One of those efforts is to invest in yourself. We've all heard it said, "nothing sacrificed, nothing gained." It is much like the parable of the seeds that Jesus tells. If we cultivate our own soil, we will produce a great harvest!

The seed that fell on good soil represents those who truly hear and understand God's word and produce a harvest of thirty, sixty, or even a hundred times as much as had been planted! -Matthew 13:23

LDI over the many years has seen value of investing in others. All of us have been committed to the process of sowing into our leadership for the greater return of His church and for evangelism. Now is the time to invest in yourself to have the church and ministry that God desires you to have, the church that He's placed in your heart.

I have seen or attended literally thousands of events, and have pretty much "seen it all" when it comes to event programming, speakers, topics, etc. In the course of my professional development as a CPA and Hotelier, I have also attended literally dozens of educational conferences. World Leaders is arguably the best conference I have ever attended, due to the quality of speakers and the flawless execution of the program!
